

Doge Racer Account Creation Guide

1. Visit <http://www.tcicerodev.com/TCDNET/register.php> and fill out the form to register
Note: Email is only ever used for verification when making purchases with Dogecoin.
Note 2: you can view our Privacy Policy [Here](#)

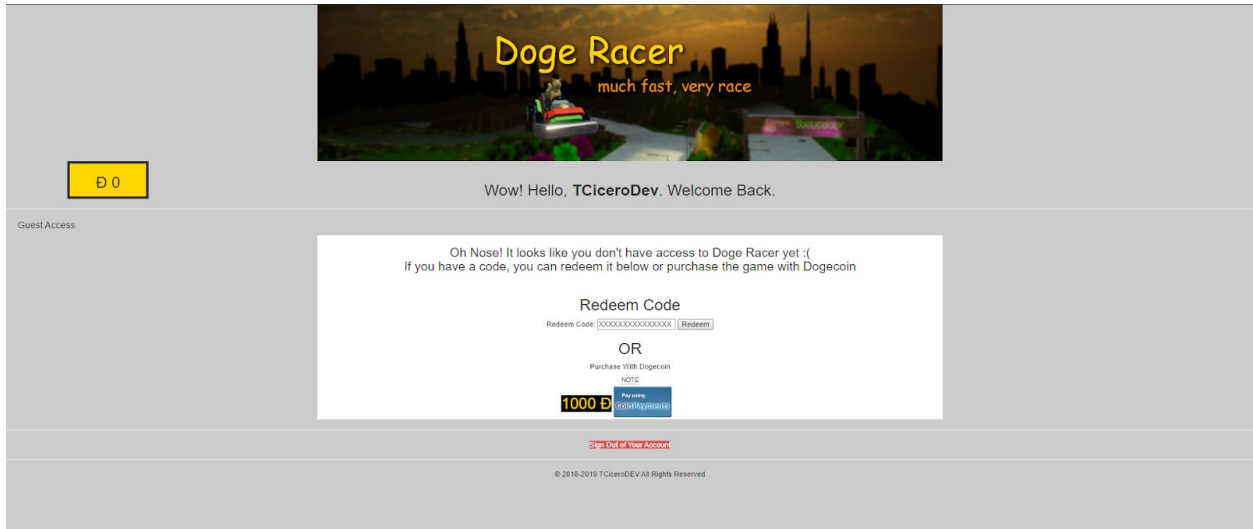

The screenshot shows the registration page for Doge Racer. At the top, there is a banner with the text "Doge Racer" in yellow and "much fast, very race" in orange. Below the banner is a "Sign Up" form with the following fields: Username, Email, Password, and Confirm Password. There are "Submit" and "Reset" buttons at the bottom of the form. A link for "Already have an account? Login here" is also present. The footer contains the text "© 2015-2019 TCICERODEV All Rights Reserved".

2. Visit <http://www.tcicerodev.com/TCDNET/login.php> and fill in your credentials to login

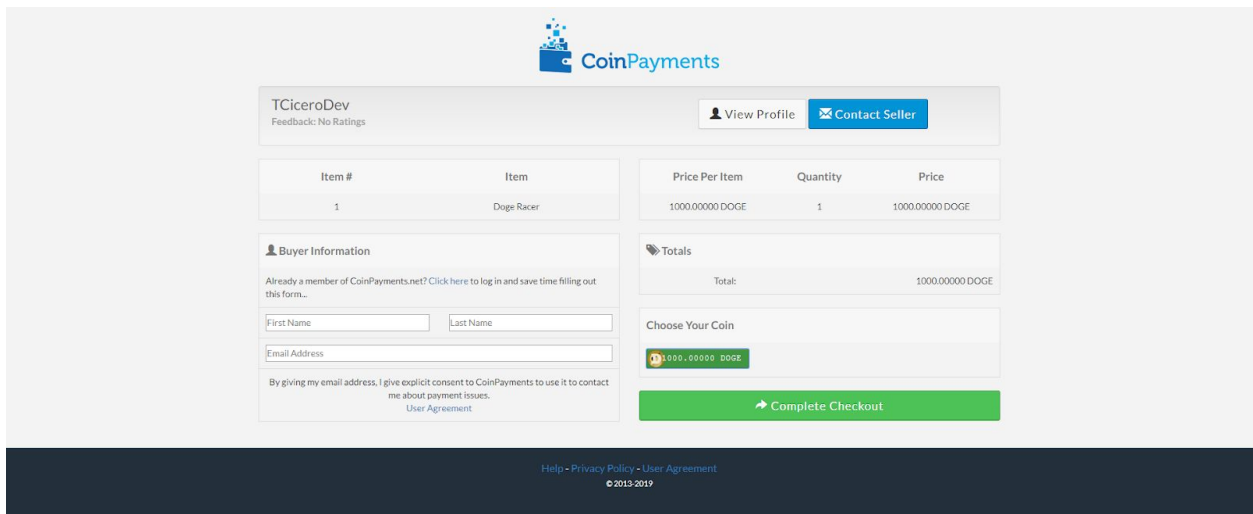

The screenshot shows the login page for Doge Racer. At the top, there is a banner with the text "Doge Racer" in yellow and "much fast, very race" in orange. Below the banner is a "Login" form with the following fields: Username and Password. There is a "Login" button at the bottom of the form. A link for "Don't have an account? Sign up now" is also present. The footer contains the text "© 2015-2019 TCICERODEV All Rights Reserved".

3. Once Logged in you can either redeem a code or purchase Doge Racer with Dogecoin

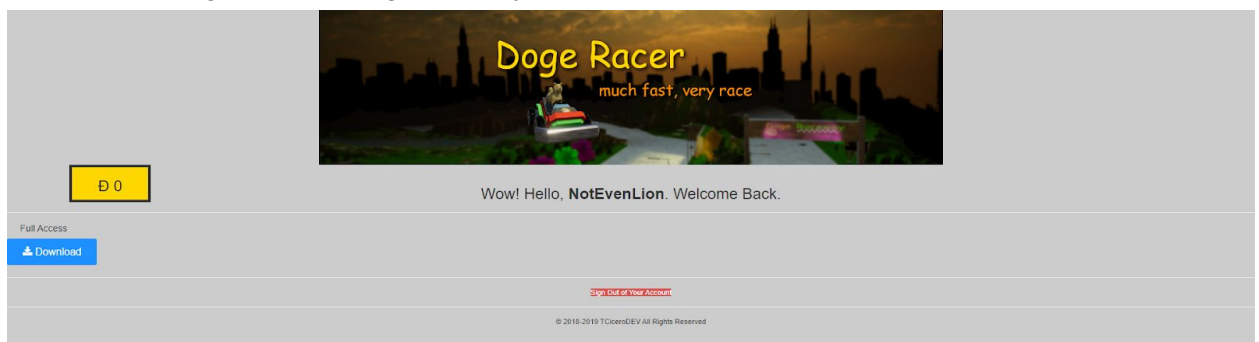

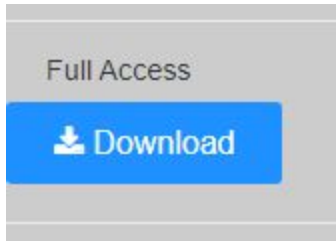

- Dogecoin payments are handled through <https://www.coinpayments.net/>
IMPORTANT: You must use the same email that you used to create your Doge Racer account when filling out the Coin Payments form.

Note: it may take up to an additional hour after sending your Dogecoin for it to be updated on your account. Please contact tony@tcicerodev.com if you have any issues.

4. After Purchasing or redeeming a code, you should see this screen:

- If you see this, you have successfully purchased / redeemed Doge Racer!
 - Now Click the Download Button to start your Download of Doge Racer
5. After the Download is complete, Unzip the Folder and execute DogeRacer.exe
- a. The first time playing you will be met with the following screen:

- Simply enter your credentials and your ready to race!

NOTE: Doge Racer is still in the early stages of development and therefore likely contains many bugs, and lacks some features. It is also possible that the new login system has bugs and may not work correctly. If you run into an Issue please send an email to tony@tcicerodev.com or post a comment in the Discord.
